

# LET'S PARTNER UP

Supply that scales.  
Fabrication that delivers.

# A NEW CHAPTER

Alufold Windows is now powered by Unique Window Systems, one of the UK's most successful and well-resourced fabricators – giving you the capacity, consistency and confidence that only a major group can deliver.

## WHO WE SUPPLY

Contractors and developers building at scale.

Large installers selling to homeowners at scale.

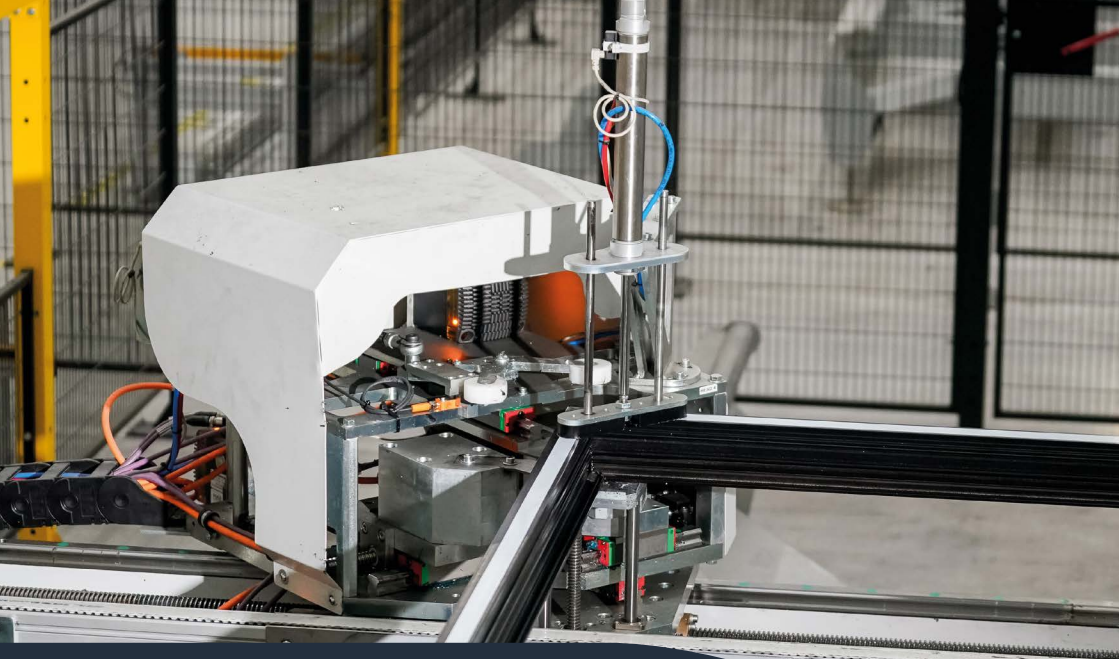

Local suppliers and installers who need a trusting partnership.

We don't sell to homeowners.  
We don't undercut you.

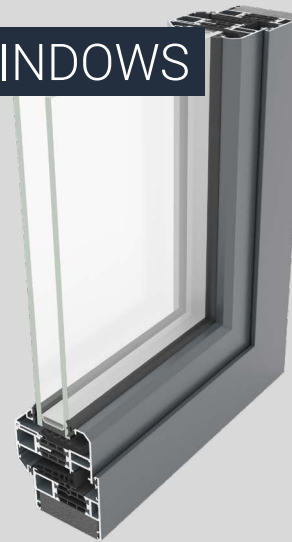

# JOIN OUR PARTNERSHIP

# WHAT YOU GET

- **Aluminium systems:** Slim, strong, efficient.
- **uPVC at volume:** Cost-effective, always in stock.
- **Trade accounts:** Credit terms, and pricing built for volume.
- **The full range:** Windows, doors, sliders, bifolds.

## BUILT ON SUBSTANCE. BACKED TO DELIVER.

**This is an aggressive market.**

We win by making sure you don't lose - whether that's in time, money or customers. We ensure you are in a trusted partnership.

# PARTNERSHIP BENEFITS

### **Shared Growth:**

Win bigger projects together.

### **Reliable Supply:**

Consistent quality and on-time delivery.

### **Expert Support:**

Hands-on technical help from design to install.

### **Competitive Edge:**

Stand out with premium products and partnership backing.

### **Trusted Relationship:**

Long-term commitment that goes beyond transactions.

A photograph of a worker in a high-visibility yellow jacket and black beanie operating a yellow forklift in a factory setting. The forklift is lifting a large metal frame. The background shows industrial equipment and a warehouse structure.
